The *Southern Annual Meeting Magazine* is created in **InDesign CS6 for Macintosh**. The following programs are acceptable for submitting files:

- InDesign CS6 or lower for Windows or Mac
- Photoshop CS6 or lower for Windows or Mac
- Adobe Illustrator CS6 or lower for Windows or Mac (Convert text to outlines on PC, provide fonts on Mac.)
- PageMaker 7 for Mac

When e-mailing digital files, use WinZip (Windows) or Stuffit (Mac) to compress all your files into one archive file first. This cuts down on transmission time.

If you are submitting digital photographs, they need to be in the highest resolution possible.

Digital files may be submitted directly to design@ramamc.com. If you have ANY questions about how your ad should be submitted, please email our designers your questions.

You may mail your digital files on CD/DVD to The Southern. Please include a print out of your ad, and all fonts and graphics used in the ad and mail everything to:
