

SOUTHERN LEADERSHIP DIVISION (SLD) MISSION:

- Offer educational programs through seminars, hands-on workshops and speakers
- Provide training for emerging leaders
- Improve lines of communication among distributors, suppliers and manufacturers
- Foster clear understanding of industry problems
- Become active in legislative activities
- Share views and ideas
- Promote common goals
- Provide a communications network among members

WHAT MAKES SLD SPECIAL?

The Southern Leadership Division of SAWD is a regional rather than a national group. This gives us the additional benefits of a close knit organization. Our group has been in existence since 1979. Because many of our backgrounds and concerns are similar, our meetings and discussions are more open and less intimidating than those of some other organizations.

REQUIREMENTS FOR SLD MEMBERSHIP

Must be in the tobacco, candy, or allied lines industry, or have a family member in the industry.
